2. All material is sold "as is, where is", without warranty or guarantee of any kind. Material is defined as any lot, item, or any portion thereof. Consignor and 1stStrike expressly disclaim all warranties including, without limitation, warranties of merchantability, quality, condition, age, model, year of manufacture, and fitness for any purpose, warranties as to patent infringement and warranties regarding the condition of the premises on which material is located.
3. Buyer, on behalf of themselves and their successors, assignees and vendees, hereby waives, releases and relinquishes all claims whatsoever against 1stStrike, Consignors and their respective agents, servants, and independent contractors arising out of or relating to the material purchased, its condition, use, operation, transportation, or resale including, but not limited to, claims based on negligence, warranty, contract, or strict or absolute liability. The buyer shall examine the material for possible hazards and for compliance with applicable federal and state laws and regulations. If the material is hazardous or otherwise defective, the buyer shall correct such hazards and defects prior to use or resale.
4. Any description of material including but not limited to odometer, mileage and hour meter appearing in any brochure, catalog, inventory or other document provided to buyer by Consignor is believed to be correct. However, any such description and any statement, whether oral or written, made by any person concerning any item is not necessarily accurate and shall not be construed as a warranty, expressed or implied. *Buyer's failure to inspect the material or to satisfy himself as to its condition, quantity, location, or the accuracy of the description will not constitute grounds for any claim for damages or adjustments or for cancellation of purchases.*
5. The total purchase price, together with all applicable taxes (which buyer will bear unless exempt therefrom) shall be paid by buyer no later than August 5th in the form of cash, cashier's check, money order, bank transfer, or credit card with a 4% fee. All cashier's checks shall be made payable to "1stStrike Asset Management". No material can be removed until total payment is received or good funds are verified by the 1stStrike.

7. Title shall pass to Buyer upon receipt by 1stStrike of the total purchase price. Risk of loss or damage shall pass to Buyer on the day of sale. Titles lost by the Buyer which require 1stStrike to acquire a new title will incur a non-negotiable \$200 title processing service charge in addition to any associated DMV fees. If title is relinquished as provided herein, buyer hereby acknowledges title transfer to Consignor and 1stStrike and buyer disclaims any further right to title or interest in the material.
8. All material must be removed from the auction site's premises on or before 8/10/19. Removal time is of the essence. If the material is not removed by said date, Consignor may, at their option, instead of or in addition to pursuing other remedies, cancel the sale, and/or store the material at a site of their choice and/or resell or otherwise dispose of the material in any manner they may choose. Proceeds of resale, if any, shall belong to Consignor and 1stStrike. All expenses of storage, resale, and disposal shall be borne by the buyer. In the event of such cancellation and resale, payments made by the buyer on account of the purchase price may be applied against expenses of storage and resale and against further damages sustained by Consignor or 1stStrike with any remaining sums not so applied being returned to the buyer. A non-refundable storage fee of \$100 per day per lot, will be charged to the buyer for any surplus materials remaining on the auction site's premises after 08/10/19.
