AUCTION SALE TERMS AND CONDITIONS

1. 1stStrike Asset Management, (hereinafter 1stStrike), is conducting this auction sale for Property Owner, hereinafter Consignor. All auction sales made shall be governed by the terms and conditions set forth herein.

2. All material is sold "as is, where is", without warranty or guarantee of any kind. Material is defined as any lot, item, or any portion thereof. Consignor and 1stStrike expressly disclaim all warranties including, without limitation, warranties of merchantability, quality, condition, age, model, year of manufacture, and fitness for any purpose, warranties as to patent infringement and warranties regarding the condition of the premises on which material is located.

3. Buyer, on behalf of themselves and their successors, assignees and vendees, hereby waives, releases and relinquishes all claims whatsoever against 1stStrike, Consignors and their respective agents, servants, and independent contractors arising out of or relating to the material purchased, its condition, use, operation, transportation, or resale including, but not limited to, claims based on negligence, warranty, contract, or strict or absolute liability. The buyer shall examine the material for possible hazards and for compliance with applicable federal and state laws and regulations. If the material is hazardous or otherwise defective, the buyer shall correct such hazards and defects prior to use or resale.

4. Any description of material including but not limited to odometer, mileage and hour meter appearing in any brochure, catalog, inventory or other document provided to buyer by Consignor is believed to be correct. However, any such description and any statement, whether oral or written, made by any person concerning any item is not necessarily accurate and shall not be construed as a warranty, expressed or implied. *Buyer's failure to inspect the material or to satisfy himself as to its condition, quantity, location, or the accuracy of the description will not constitute grounds for any claim for damages or adjustments or for cancellation of purchases.*

5. The total purchase price, together with all applicable taxes (which buyer will bear unless exempt therefrom) shall be paid by buyer no later than June 21st, 2021 in the form of cash, cashier's check, money order, bank transfer, or credit card with a 4% fee. All cashier's checks shall be made payable to "1stStrike Asset Management". No material can be removed until total payment is received, or good funds are verified by 1stStrike.

6. The Auctioneer shall designate the buyer after each lot item is auctioned. If a dispute arises between two or more bidders, the Auctioneer shall have the right to reopen the bidding. His designation of a buyer shall be final.

7. Title shall pass to Buyer upon receipt by 1stStrike of the total purchase price. Risk of loss or damage shall pass to Buyer on the day of sale. Titles lost by the Buyer which require 1stStrike to acquire a new title will incur a non-negotiable \$200 title processing service charge in addition to any associated DMV fees. If title is relinquished as provided herein, buyer hereby acknowledges title transfer to Consignor and 1stStrike, and buyer disclaims any further right to title or interest in the material.

8. All material must be removed from the auction site's premises on or before 6/26/21. Removal time is of the essence. If the material is not removed by said date, Consignor may, at their option, instead of or in addition to pursuing other remedies, cancel the sale, and/or store the material at a site of their choice and/or resell or otherwise dispose of the material in any manner they may choose. Proceeds of resale, if any, shall belong to Consignor and 1stStrike. All expenses of storage, resale, and disposal shall be borne by the buyer. In the event of such cancellation and resale, payments made by the buyer on account of the purchase price may be applied against expenses of storage and resale and against further damages sustained by Consignor or 1stStrike with any remaining sums not so applied being returned to the buyer. A non-refundable storage fee of \$100 per day per lot, will be charged to the buyer for any surplus materials remaining on the auction site's premises after 6/26/21. Buyer agrees to hold Consignor and 1stStrike harmless from and against all loss or damages sustained as a result of buyer's failure to pay for or remove the material or for any other failure to perform his obligations hereunder.

9. Buyer shall be deemed to have inspected the premises and to be familiar with all conditions relative to removal of material. Consignor and 1stStrike reserve the right to reclaim title to the material and/or resell and/or otherwise dispose of any property not paid for in full by June 21st or not removed from the premises by 6/26/21. Buyer shall pay for any expenses of resale and collection and for all damages resulting from resale.

10. The Auctioneer reserves the right to group lots, make lots smaller or to add or delete material at Auctioneer's sole discretion, as well as the right to offer individually and/or as a group. Auctioneer also reserves the right not to accept or acknowledge any bid which exceeds the previous bid by an amount less than the increase called for by the Auctioneer in the course of bidding.

11. Neither buyer's rights nor buyer's obligations shall be assigned in whole or in part without prior written approval of 1stStrike.

12. Buyer agrees to pay and satisfy all claims for labor and materials employed or used by him in connection with or arising out of his purchase of auction lots, to permit no liens of any kind to be fixed upon or against Consignor or 1stStrike's property by his laborers, mechanics, or suppliers and to indemnify, protect and save Consignor and 1stStrike harmless from and against all such claims and liens. If any lien claim remains unsatisfied at the time delivery is to be made to buyer, Consignor may, at their discretion and without prejudice to any other rights or remedies, cancel the sale and/or retain possession of material until the lien has been discharged.

13. Buyer assumes all risks incident to being on Consignor's or 1stStrike's premises (whether owned or leased) and/or incident to this sale or the material sold.

14. Buyer agrees to defend, indemnify and save harmless Consignor and 1stStrike from and against any and all claims, demands, actions, costs, expenses, judgments and liabilities of every kind arising out of or related to the material purchased, or the inspection, loading, removal, transportation, dismantling, destruction, handling, resale, operation or condition of same, or any defects in such material (whether or not such defects existed prior to buyer's purchase) regardless of whether any fault or negligence of Consignor, 1stStrike, or their respective agents, employees, or representatives, is a contributing cause thereof.

15. Buyer shall comply, and secure compliance by his contractors, agents, employees and representatives with all applicable "law", as hereinafter defined, in connection, with the purchase, loading removal and transportation of material. As used herein, "law" means statutes, ordinances, rules, regulations, laws stipulations of federal, state, and local governments, their agencies and authorities and any other agencies having jurisdiction regarding this transaction. Buyer shall defend, indemnify and hold harmless Consignor and 1stStrike from and against any liabilities and penalties which may be imposed on them by reason of any violation of alleged violation or alleged violation of law by buyer or their contractors, agents, employees or representatives.

16. Buyer agrees to obtain Consignor's approval prior to making publicity releases of announcements regarding buyer's activities or participation in connection with this sale. Use of Consignor's name or any variant thereof without the prior written approval of Consignor is prohibited.

17. Buyer shall carry out this transaction in a good, businesslike, and efficient manner.

18. All rights and remedies of Consignors and 1stStrike described herein are cumulative. Nothing contained herein shall in any way limit other consistent rights or remedies.

19. This transaction and the terms and conditions hereof shall be construed in accordance with and governed by the laws of the State of Alaska.

20. This agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and cancels and supersedes all prior negotiations, representation or agreements, whether written or oral. No changes, alternations or notifications to the agreement shall be effective unless in writing and signed by both parties hereto.
